If your family member has broken certain rules they may have to go away for a while.

When they are away, you will be able to come and see them for a visit.

When you are waiting to visit you can write them a letter or draw them a picture to send in the post.

For more information about family visits, please contact Jigsaw visitor centre on 0113 203 2771.

Jigsaw are here to support you and your family through this time. If you have any concerns or just general questions, please don't hesitate to contact a member of the family support team.

### Information for parents and carers:

Family visits are provided by Jigsaw throughout the year.

Family visits for school age children take place on Friday mornings during school holidays.

Parent and tots visits take place on other Friday mornings through the year.

Family visits provide the prisoner with the chance to engage in play activities with their child(ren). They are able to move freely around the visit hall.

Grandads and uncles are also welcome to apply for family visits.

### To apply for any of these visits:

Encourage your dad or loved one to fill in an application which can be found at the PID (Prisoner Information Desk).

When coming to visit your family member you may need to travel for a short or long time.

You might travel in a car, on a train, a bus, or walk. Circle the picture showing how you got here today!

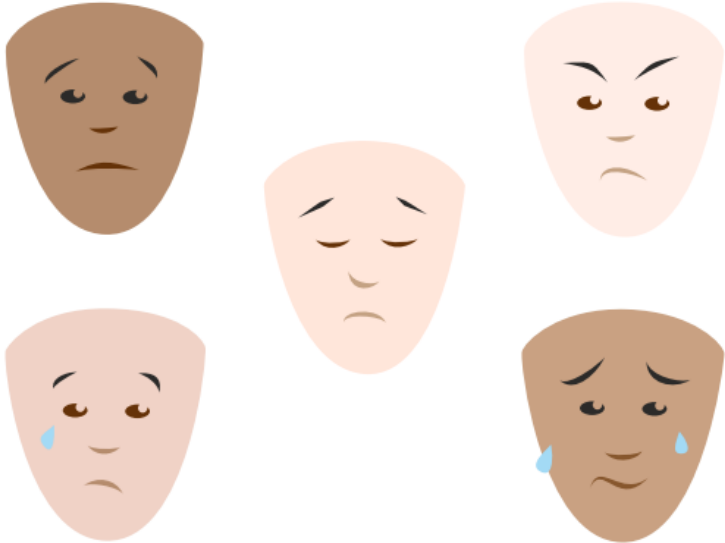

I wonder how many different colour cars you saw on your journey? If you are lucky you might even see some animals in the fields.

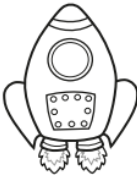

Activity: word search

When your family member is not at home it can make you feel lots of different emotions.

It is normal to feel sad or angry when a loved one has gone away.

Activity: dot to dot

Coming to see them can be strange at first. You might feel excited, scared, nervous or shy.

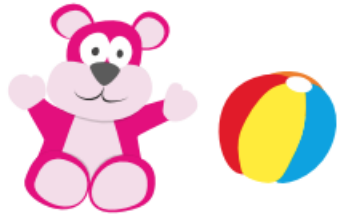

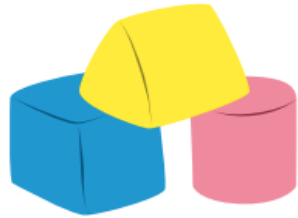

When you arrived for your visit, you will come to the Jigsaw Visitors' Centre. Here you will meet people in blue t-shirts.

Activity: colour in the t-shirt blue.

Before you can see them you can:

Climb on our soft play.

Play with toys.

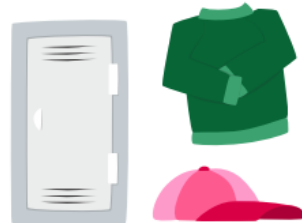

Colour some nice pictures.

Read some books.

Put some of your things into a locker.

Activity: colouring page.

Even though your daddy or loved one is not at home all the time, it is important to remember that they love you very much and look forward to seeing you.

On your way to the main building, you will be able to play i-spy. See if you can spot...

A white van

A flag

Maybe an adult can help you to:

Send an email

[www.emailprisoner.com](http://www.emailprisoner.com)

Leave a voice message

[www.prisonvoicemail.com](http://www.prisonvoicemail.com)

Post a letter and pictures you have done, or even send some photos you have taken that they might like to see.

People dressed in black and white

Zebra crossing

Inside the main building you will see lots of people dressed in black and white

The people in black and white might have a radio

When it is time to go, you will be able to give each other a cuddle and kiss goodbye.

You will line up in a queue with lots of other people.

When you leave you might feel happy that you saw each other and maybe a bit sad that you are leaving. It's okay to have lots of different feelings.

When you are on your visit you might:

Have some food and drink.

Sometimes you might see a dog. These special dogs like to sniff people.

Play with some toys.

Tell them about what you have been doing this week. Maybe tell them about school.

One of the people in black and white will ask you to stand in a square marked on the floor. They will ask you to put your arms out like an aeroplane.

They will give you a pat down, which might tickle and make you laugh.

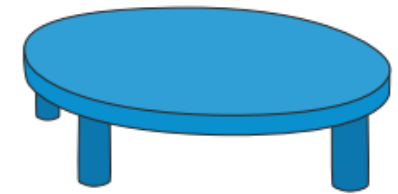

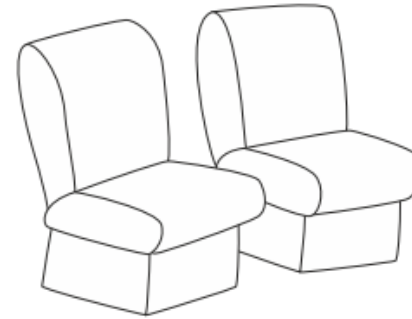

When it is time to go into the visit room, you will go through a big door and some gates.

See if you can spot some keys

An officer will take you into a big room with blue chairs and tables.

Activity: colour the chairs in blue.

See if you can see your daddy or loved one coming out of the big door.

When you see them you will be able to give each other a big hug.
